PRESS RELEASE

Lionfield Attains Microsoft Gold Certified Partner Status

Earns Microsoft Competency in Information Worker Solutions

Exton, May 22, 2008: Lionfield Technology Solutions announced today it has attained Gold Certified Partner status in the Microsoft Partner Program with a competency in Information Worker Solutions. As a Gold Certified Partner, Lionfield has demonstrated expertise with Microsoft technologies and a proven ability to meet customers' needs.

"We are extremely pleased to have attained Gold Certified Partner status in the Microsoft Partner Program," said Matt Matosky, president of Lionfield Technology Solutions. "The benefits provided through our Gold Certified Partner status will allow us to continue to enhance the offerings we provide to our customers."

"Customers are looking for partner companies that can bridge the gap between their business demands and technology capabilities," said Allison Watson, vice president of the Worldwide Partner Sales and Marketing Group at Microsoft Corp. "They need to trust in a company that can act as an expert adviser for their long-term strategic technology plans. Microsoft Gold Certified Partners have certified expertise and direct training and support from Microsoft. Today, Microsoft recognizes Lionfield as a new Gold Certified Partner."

Lionfield previously earned a competency in Network Infrastructure. The new Information Worker Solutions Competency will enable Lionfield to better manage, prioritize and collaborate on increasing volumes of information. Partners with the Information Worker Solutions Competency can help their customers realize increased service revenues and new market opportunities. "Partners play a critical role in delivering solutions to customers with the Microsoft Office system," said Chris Capossela, corporate vice president of the Information Worker Product Management Group at Microsoft Corp.

The Microsoft Partner Program was launched in October 2003 and represents Microsoft's ongoing commitment to the success of partners worldwide. The program offers a single, integrated framework that recognizes partner expertise, rewards the total impact that partners have in the technology marketplace, and delivers more value to help partners' businesses be successful.

Lionfield Technology Solutions, Ltd. is located in Exton, PA and offers information technology support and services to small and mid-sized businesses.
